COPYRIGHT LAW

Only original scores or copies authorized by copyright owners may be used at Festival venues. The performer must provide the adjudicator and accompanist with an original score or authorized copy of the selection to be performed. Performance other than designated above will not be allowed. It is illegal to copy, by any means, previously published material. The copyright is usually held by publishers and in the case of firms no longer in business, their copyrights assets are transferred to others. Accompanists, Directors, Groups and soloists must use original copies in performance venues. Use of unauthorized copies will result in disqualification as it is in violation of the Copyright Act of Canada.

If a participant chooses material that is out of print or difficult to acquire, written permission from the copyright owner must be obtained to have the material copied. This letter of authorization must be given to the secretary at the time of performance. Frederick Harris Music publishers of RCM books allow one page to be photocopied to facilitate a page turn only. When one page is copied for page turns, there must be an original copy present at the performance. This means 2 original copies present in the competition hall, one for adjudicator and one for student.

If a selection is considered to be in the public domain, a letter confirming this fact is required from the publisher along with permission to copy. The use of internet downloaded music is permissible if it states on each sheet "Public Domain" OR there is a receipt of purchase attached to each piece downloaded, verifying the purchase.

Vocal scores may be transposed to suit voice ranges if copied "by hand" - the original score must be present. (this applies to Frederick Harris RCM books)

VOICE AND STRING STUDENTS IF USING MUSIC, MUST PROVIDE 2 ORIGINAL COPIES.

GRADE LEVELS

The Festival Committee reserves the right to eliminate, combine, sub-divide or create classes as deemed necessary or to refuse any entry. Conflicts in scheduling with other festivals will result in the performer making a choice as to which festival he/she will participate in.
